

# WAITING IN HOPE

- What are you hoping for? Express your desire.
- Examine this hope with the Holy Spirit. Is this in line with God's heart for you?
- Pause. Do you need to come to a place of "holy indifference" regarding your hope? A place where you desire God's will above your own.
  
- Turn your heart toward the Hope of Advent, the presence of Jesus.
- How is God inviting you to wrap yourself around Him in this season of waiting?
